SGX StockFacts is a collaboration between SGX and S&P Global Market Intelligence, a division of S&P Global.

The information under StockFacts and this document (the "Information") is not intended for distribution to, or for use by or to be acted on by any person or entity located in any jurisdiction where such distribution, use or action would be contrary to applicable laws or regulations or would subject Singapore Exchange Limited ("SGX") to any registration or licensing requirement. The Information is for general circulation only and is subject to change without notice. The Information is not an offer or solicitation to buy or sell, or financial advice or recommendation for any investment product. It does not address the specific investment objectives, financial situation or particular needs of any person. Advice should be sought from a financial adviser regarding the suitability of any investment product before investing or adopting any investment strategies. Investment products are subject to significant investment risks, including the possible loss of the principal amount invested. Past performance of investment products is not indicative of their future performance. Any examples provided are for illustrative purposes only. Each of SGX and its affiliates shall not be responsible or liable for any loss or damage of any kind suffered due to any omission, error, inaccuracy, incompleteness, or otherwise, any reliance on such information, or arising from the Information.
